

LUV YOUR SKIN WITH SUNSENSE

The UK's Best LUVed Prescription Sunscreen¹

SunSense SPF 50+, prescribed by more dermatology nurses in the UK than any other brand¹, helps protect people by exposing the skin to **Less Ultra Violet** radiation. Reducing the risk of skin cancers and other harmful effects of the sun², due to its high protection, efficacy and superior skin feel. **What's not to LUV?**

LUV THE WHOLE RANGE AT SUNSENSE.CO.UK

HELP SHARE THE LUV

Sun Awareness Week 14-20 May 2018

Run your own LUV Your Skin Awareness event. Order your FREE SunSense Educational Pack, containing leaflet, posters and balloons by emailing: info@crawfordpharma.com

As a thank you for running this event we will send you a branded diary cover!

Share your activity with **#LUVYOURSKIN**
#LUVSUNAWARENESS and @SunSenseUK
for your chance to WIN a prize you'll LUV.

Distributed in the UK by Crawford Healthcare Ltd. www.crawfordhealthcare.com © Crawford Healthcare Ltd 2018.
Always read the label and only use as directed. Do not stay too long in the sun, even while using a sunscreen product.
